Doing Business 2019. Doing Business 2019: Training for Reform, a World Bank Group flagship publication, is the 16th in a series of annual reports measuring the regulations that enhance business activity and those that constrain it. Doing Business presents quantitative indicators on business regulations and the protection of property rights that can be compared across 190 economiesâ€”from ...

The business environment is a marketing term and refers to factors and forces that affect a firm's ability to build and maintain successful customer relationships. The business environment has been defined as "the totality of physical and social factors that are taken directly into consideration in the decision-making behaviour of individuals in the organisation."
