Magic by Darwin Ortiz Darwin Ortiz is unparalleled in his theoretical writings. His two theory books, Designing Miracles and Strong Magic are, in our estimation, some of the most important writings on magic written in the last two decades. Also, his trick DVDs and books display Ortiz's uncanny knack for constructing exceptional magic.

In Strong Magic, Darwin Ortiz's fascinating insight is unfortunately balanced by his condescending hubris and distracting plugs for his own material. The first third of the book offers some brilliant insights; however, he quotes so extensively from Henning Nelms's Magic and Showmanship I wish I had just read that book instead.
