

diatonic modes in modern pdf

In western music theory, a diatonic scale is a heptatonic scale that includes five whole steps (whole tones) and two half steps in each octave, in which the two half steps are separated from each other by either two or three whole steps, depending on their position in the scale. This pattern ensures that, in a diatonic scale spanning more than one octave, all the half steps are maximally ...

Diatonic scale - Wikipedia

In the theory of Western music, a mode is a type of musical scale coupled with a set of characteristic melodic behaviors. Musical modes have been a part of western musical thought since the Middle Ages, and were inspired by the theory of ancient Greek music.
