Information on Policy and Guidance: Water Quality Standards Reference Library

Reference Library of Water Quality Standards Policy and

A librarian is a person who works professionally in a library, providing access to information and sometimes social or technical programming to users. In addition, librarians provide instruction on information literacy. In the United States and Canada, they are usually required to hold a graduate degree from a library school: the Master of Library and Computer Science/Information Systems (MLIS ...

In article number 1800148, Lin Dong, Zi Chen, John X. J. Zhang, and co-workers develop a compact, modular and compliant thin film energy harvester on a cardiac pacemaker lead which converts mechanical motion to electrical power. The device could enable self-charging batteries to ultimately power pacemakers and other implantable biomedical devices. It provides a new paradigm for biomedical ...
