Ad - Astrology is defined as the study of the influence of celestial bodies on human life. Some people believe that a chart of the position of these celestial bodies when you were born can tell you a great deal about yourself in the same way that looking at tiny house floor plans will give you a picture of what the finished house would be. . Numerology focuses on the relationship between ...

The Sabian Assembly is dedicated to the adventure of an increasing mastery of self and the world. Its goal is to help the individual climb to the top of even the most difficult mountain of understanding.

About | THE SABIAN ASSEMBLY

Western esotericism, also called esotericism, esoterism, and sometimes the Western mystery tradition, is a term under which scholars have categorised a wide range of loosely related ideas and movements which have developed within Western society. These ideas and currents are united by the fact that they are largely distinct both from orthodox Judeo-Christian religion and from Enlightenment ...
