Principles and Practice in Second Language Acquisition Stephen D Krashen University of Southern California. ... As developed today, second language acquisition theory can be viewed as a part of "theoretical linguistics", i.e. it can be studied and developed without regard to practical application. As is the case with any scientific theory, it ...

Principles and Practice - Stephen Krashen

If there is a critical period for second language acquisition, then logically there is also one for first language acquisition, and the answers to questions about language processing take a clear direction. One must be prudent, therefore, in accepting the hypothesis for a critical period in second language acquisition.
