Brilliant and engagingly written, Why Nations Fail answers the question that has stumped the experts for centuries: Why are some nations rich and others poor, divided by wealth and poverty, health and sickness, food and famine? Is it culture, the weather, geography? Perhaps ignorance of what the right policies are? Simply, no. None of these factors is either definitive or destiny.

"Fail" is the name of a popular Internet meme where users superimpose a caption, often the word "fail" or "epic fail", onto photos or short videos depicting unsuccessful events or people falling short of expectations. In July 2003, a contributor to Urban Dictionary wrote that the term, "fail," could be used as an interjection, "when one disapproves of something," citing the example: "You ...
